Hi Jenny. I wanted to warn that when we talk next week I hope to ask you some questions about the Rogue TMDL... not sure if this TMDL was your project but I have volunteered to help the Rogue River Keeper with their TMDL/NPDES concerns. The group is concerned about how nutrients discharged by the Medford WWTP into the River is causing/contributing to algae bloom and DO problems during summer time flows. My limited involvement will start by pulling the permit and DMRs off ODEQs web. Kinda fun to do this stuff when you don't have to do it for a living.

Look forward to talking with you next week. (b) (6)

Hi (b) (6) nice to talk with you last week! Are you free sometime to talk next week on some thoughts I have on the hatchery, maybe for about half an hour? I'm pretty open. Here are some times that work for me:

Tuesday, 5/30: 10-12, 3-4:30

Wednesday, 5/31: 10:30-12pm, 1:30-3pm

Thursday PM

Friday 10-12

Thanks,

Jenny Wu
